

Belt barrier post 3 m h551_03

Belt barrier post with safety clip. Finish: satin aluminium. Belt length: 3 m. Height: 100 cm.

The retractable belt barrier is the ideal product for all those places where there is usually a large influx of people, such as airports, stations, shopping centres and museums. Thanks to the belt barrier post, it is indeed possible to limit the number of people at the entrance of these facilities in order to comply with **safety regulations** and **prevent overcrowding**. The **belt reaches a length of 3 metres and is equipped with a safety clip**. The base **0.6 cm thick and 37 cm in diameter** gives the product greater stability and also features a trip-free surface. The belt is available in the following colours: black and red.
