

Bench for public areas h794_17

Bench for public spaces with side shapes in the form of a road sign. Dimensions: L.163 x D.54 x h.60 cm.

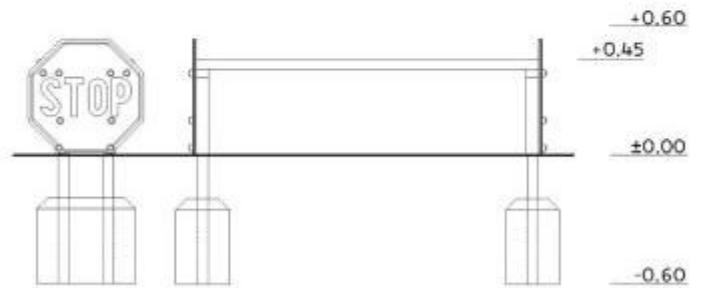

Bench for urban furniture, particularly suitable for enriching public parks and gardens. It is also very well suited for setting up playgrounds as it is equipped on the sides with **2 colored HDPE shapes in the form of a road sign**. The structure features galvanized steel bases designed to be buried in the ground and a seat in waterproof multilayer wood. The materials used ensure adequate robustness and excellent **resistance to atmospheric agents**.

Technical features:

- Dimensions: L.163 x D.54 x h.60 cm
- Material: HDPE; powder-coated galvanized steel and multilayer wood
- Weight: 40 kg
- Fixing: to be buried
- Without backrest
- In compliance with EN 1176-1: 2017
