

Bench for public spaces h287_344

Urban furniture bench available in various colors. Dimensions W. 200 x D. 50 x H. 42 cm.

Bench without backrest with a simple design, ideal for relaxation areas in a panoramic point of the city. The structure is composed of **galvanized flat iron supports** sect. mm. 50x8 suitably shaped and a seat made of **galvanized round steel tube** Ø mm. 20 equipped with hemispherical head covers. The **galvanized steel** parts are treated against impurities and painted using **electrostatic guns**. The bench is then subjected to **polymerization** in an oven, at 180/200°. The product is available in **various colors**.
