

Bench with backrest and double seat h678_16

Urban furniture bench with a modern design and double seat. Dimensions: W.200 x D.78 x H.81 cm.

The bench for public spaces represents a particular urban furniture element, characterized by the possibility of using a double seat: unlike classic backrests, the bench features an upper seat that allows for a particular use. The product is made of a **metal structure** subjected to hot-dip galvanizing treatment and **painted aluminum slats** with polyester powders in various colors. A **special treatment** protects the surfaces from wear over time and the aggressiveness of atmospheric agents.

The product is designed for ground anchoring via expansion bolts.
