

Bench with backrest for public spaces h28768

Urban furniture bench available in various colors. Dimensions: W.150 x D.58 x h.82 cm. Seat height: 45 cm.

Bench with backrest with a **simple design** ideal for creating relaxation areas in a scenic spot in your city. Sturdy structure composed of 2 square tubular steel supports section 30x30 mm **with seat and backrest made of oval tubular steel slats** section 40x20 mm equipped with black PE finned head covers. The galvanized steel parts first undergo a pre-treatment degreasing process of impurities through vapor solutions, then dried and subjected to **painting operations using electrostatic spray guns** that cover the pieces with powder paint in a floury state. Subsequently, the product is subjected to polymerization in an oven, a process that allows the powder to solidify by baking at a temperature of 180°/200°C in a hot air circulation oven.

Technical features:

- Material: oval tubular slats
- Available in various colors
- Anchoring: flush with the ground
- Hardware and bolts: galvanized according to UNI 3740 standard
- Dimensions: W.150 x D.58 x h.82 cm
