

Bicycle rack for urban furniture h140_374

Single bicycle rack with decorative cutouts in galvanized steel. Dimensions: W.15 cm x D.15 cm x H.90 cm.

The single bicycle rack for urban furniture is ideal both for furnishing public places and for creating convenient bike parking in residential and condominium areas. Thanks to the refined design, the rack simultaneously adds style to the urban landscape. The product features a structure consisting of a **vertical support with rounded edges in galvanized sheet metal**. The side part is characterized by **stylized decorative cutouts**, while at the base there is a support provided with holes for **ground fixing**. The finish for the metal parts of this product consists of two colors, specifically: "matt pure white RAL 9010" for the support and "matt yellow orange RAL 2000" for the **upper trapezoidal decoration**.
