

## Bicycle rack for urban furniture h140\_385

Bicycle rack for urban furniture. 5 spaces. W.143.5xD.43.5xh.39.5 cm

**Bicycle rack for urban furniture** with a particular **geometric shape**, made of **galvanized sheet metal profiles** obtained by laser cutting. The shapes create a unique aesthetic effect and allow **the insertion of the bicycle and the subsequent locking of the wheel by means of a padlock**. The standard finish for the **metal parts** of this product is the color “**matt ivory RAL 1015**”. The painting technique used for the galvanized steel structure is thermosetting powders with oven baking.

### Technical features:
