

Bicycle rack with advertising sign h33712

5-space rack complete with neutral PVC advertising sign and flanges for bike anti-theft. Dimensions: 2150x500x1450 mm. Italian product

Bike rack for urban furniture with a simple design ideal for placement near stations, gyms, schools, parks and city centers. The **sturdy 5-space structure** is made of **galvanized and powder-coated steel**, complete with screws and black PVC caps. To ensure greater safety for cyclists, this rack is equipped with a system with a plate for fixing the frame to the bike rack via a lock.

This rack is equipped with a practical **PVC advertising sign**, which can be used both to indicate the parking area or useful information for commuters and cyclists and for posting advertisements.
