

Bike charging station with racks h859_06

E-bike charging column with 2 sockets and bike racks. Dimensions: 1180 x 390 x H.1200 mm.

E-bike charging station with 2 sockets and racks for parking bicycles, ideal for outdoor areas and accommodation facilities. **Each rack** is equipped with an anti-fall support for all tire types up to 29" (MTB), an anodized steel safety chain, a scratch-resistant rubber coating and an instruction display for chain locking/unlocking. Rack use requires the insertion of a 1€ coin as a deposit or payment. The item allows charging 2 **bicycles**, offering a free and always active service, very simple to use. To recharge your bicycle, simply plug your cable into the socket. **The two racks** allow the bike to be parked in total safety. The item is available in **various colors**: mint green 6005, sage green 6021, anthracite 7016, grey 7001, white 9016 and corten.
