

Bike rack for public spaces h33720

Bike rack for urban furniture with bases and steel structure. Italian product available for 5, 7 or 9 spaces. Structure color: anthracite gray or green.

The bike rack is perfect for completing urban and apartment building furniture. The product is ideal for use in public parks, streets or courtyards and allows the bicycle to be positioned quickly and practically.

The bike rack consists of a **steel structure** with cold galvanization and powder coating.

Two **washed gravel bases** are arranged laterally.

The possibility of choosing the structure in **green** or **anthracite gray** makes the product versatile to meet various furnishing needs.

The rack is available with 5, 7 or 9 spaces.

- **5 spaces** – Dimensions: 224 cm x 55 cm x 38 cm
- **7 spaces** – Dimensions: 279 cm x 55 cm x 38 cm
- **9 spaces** – Dimensions: 324 cm x 55 cm x 38 cm
