

Black and blue folding trolley h972_40

Multifunction folding trolley h972_40 in aluminum and polypropylene. 2-in-1 convertible design, load capacity up to 137 kg, ideal for logistics and retail.

The **multifunction folding trolley h972_40** represents a versatile solution for manual load handling in professional contexts. Its distinguishing feature is the **convertible design**, which allows for a quick switch from the 4-wheel configuration (flatbed trolley) to the hand truck mode with a toe plate, adapting to different types of goods and operational needs. The combination of an **aluminum structure** and a polypropylene deck ensures an optimal ratio between dead weight and mechanical strength.

Technical features

- **Frame material:** Aluminum
- **Platform material:** Polypropylene
- **Load configurations:** 137 kg (platform trolley mode) / 68 kg (hand truck mode)
- **Trolley configuration dimensions:** W 780 x D 410 x H 900 mm
- **Hand truck configuration dimensions:** W 450 x D 460 x H 1100 mm
- **Wheel system:** 4 wheels total (2 swivel and non-slip)
- **Wheel diameter:** 90 mm and 127 mm
- **Ergonomics:** 2 ergonomic handles for a secure grip
- **Included accessories:** Tool tray and integrated 25 cm flap
- **Special feature:** Fully foldable frame for volume reduction after use
- **Color:** Black and Blue
