

## Black foam fitness mat h. 1.5 cm h731\_69

Professional closed-cell foam mat (200x100x1.5 cm), non-slip surface and CE 93/42/EC certified antibacterial properties. This **professional mat** has been developed to meet the needs of contexts requiring high technical performance and rigorous hygiene standards, such as medical rehabilitation, postural gymnastics, pilates, and yoga. The **closed-cell foam** structure not only ensures an optimal elastic response during loading but also prevents the absorption of liquids and sweat, keeping the support lightweight and healthy over time.
