

Black refrigerated buffet display case h887_49

Refrigerated buffet display case in black ABS with roll-top cover, 40x30 cm tray and 2 cooling elements. Dimensions: W 46 x D 35.5 x H 22 cm.

The **h887_49 refrigerated buffet display case** is the ideal solution for hotels, catering, and breakfast rooms looking to combine elegance and maximum hygiene. Featuring a sturdy **black ABS** base and a **transparent PET** roll-top cover, it allows total visibility of food while protecting it from external agents. The passive cooling system uses **two gel cooling elements**, which keep cold cuts, cheeses, yogurts, and desserts fresh for several hours. The functional design includes a front cutout in the base to make it easier to grip the **40 x 30 cm stainless steel tray** (included) and an ergonomic handle for hygienic opening up to 90°.
