

Black wooden luggage rack for hotels h164_67

Black solid wood luggage rack, foldable. Dimensions: W. 65.5 x D. 38.5 x h. 48.5 cm.

The **black wooden luggage rack for hotels** is a sophisticated furnishing accessory, designed to offer an elegant and functional luggage storage solution. Made of **solid wood with a black finish**, this luggage rack stands out for its crossed legs and sophisticated **chrome inserts**, specifically designed to protect the wooden structure from wear and accidental impacts while positioning suitcases. Its main function is to provide stable and raised support inside the room, solving the operational problem of luggage clutter on the floor or on the bed. Thanks to the **foldable** system, the accessory is extremely easy to store, taking up minimal space when not in use and naturally adapting to different types of interior design, from classic to contemporary.
