

## Bollard for urban furniture h793\_08

Corten steel bollard for urban furniture (10x5x120 cm) with floral decorations on all four sides for aesthetic and functional safety. The **urban furniture bollard** in corten steel represents an advanced technical solution for the **delimitation of pedestrian areas**, limited traffic zones and high-profile public spaces. Designed to meet the need for physical barriers without compromising architectural visibility, it integrates the structural strength of metal with refined perforated workmanship. The design allows for securing urban contexts while maintaining visual continuity with the surrounding environment, whether modern or historical.

## Technical specifications

- **Material:** high weather-resistant corten steel
- **Design:** 4 sides decorated with perforated floral motifs
- **Dimensions:** W 10 cm x D 5 cm x H 120 cm
- **Finish:** natural oxidation typical of the material
