

Book shelf for nursery school h681_22

Wooden shelf for nursery school, 120x26x33 cm, with side panels and pre-drilled holes for wall mounting.

Shelf designed specifically for school environments in nursery schools, designed for wall installation and the organized storage of books and teaching materials. The wooden structure ensures durability and safety in high-use contexts, while the **side panels** prevent the accidental falling of volumes during daily handling.
