

Book trolley h402_125

Book trolley in natural birch plywood (78x50x57 cm) for preschools, with swivel wheels and anti-trauma edges.

The **book trolley** is a piece of furniture specifically designed for **preschools**, designed to organize and make book materials accessible in educational contexts. Made entirely of **birch plywood** with a natural finish, the trolley combines structural solidity with a warm aesthetic suitable for children. The configuration features a double compartment: an open lower section for horizontal storage and an upper display that allows front-facing consultation of covers, facilitating independent choice by students.

Technical features

- **Material:** Birch plywood with natural finish.
- **Safety:** Rounded and spherical edges and corners for trauma prevention.
- **Configuration:** Open lower compartment and upper display compartment.
- **Mobility:** Base equipped with four swivel wheels.
- **Dimensions:** W. 78 x D. 50 x H. 57 cm.
- **Regulatory compliance:** Product compliant with harmonized standards UNI EN 71/1 (Mechanical and physical properties), UNI EN 71/2 (Flammability), UNI EN 71/3 (Migration of certain elements).
