

Bookcase on wheels with 2 doors h848_19

Bookcase on wheels h848_19 in beech melamine (104x45x113h cm) with 2 doors, 4 plastic trays and white masonite back. Assembled.

The **Bookcase on wheels with 2 doors h848_19** is a mobile storage unit designed for the coordinated management, organization and storage of books and educational or office material. This furniture responds to the operational need to easily move material between different environments of use, integrating closed compartments and quick-access storage spaces into a single structure. Aimed at school managers, teachers, purchasing managers for public bodies, schools and offices, the bookcase features a monoblock structure with a thickness of 18 mm in the FAD Beech finish and a white masonite back. The unit is equipped with 25 mm thick shelves, 2 beech melamine doors, 4 plastic trays for small items and a base on wheels that guarantees mobility. The bookcase has dimensions of 104 x 45 x 113 h cm and is supplied already assembled for rapid commissioning.
