

Bookcase with doors h402_124

Bookcase for nursery schools in birch wood conglomerate, 90x40x190 cm, equipped with 4 shelves and 4 protective doors in 18 mm chipboard.

This **professional bookcase** has been designed specifically for the furnishing of educational spaces in nursery schools and educational institutes. The vertical structure allows for optimizing the walkable surface of the classrooms, offering a spacious and safe storage system. The birch finish helps create a bright and welcoming environment, ideal for fostering children's learning and well-being.

The central body is made of high-resistance **wood conglomerate**, ensuring stability and durability over time even in intensive use contexts. The internal configuration provides a rational subdivision of spaces to accommodate books, teaching aids, and play materials.
