

## Brass-plated hotel luggage rack 68x52 h3103

Luggage stool without backrest for hotels, in steel. Folding. Dimensions (mm) 680x430x520h.

The **h3103 hotel luggage rack** is an indispensable accessory for optimizing reception in your hotel room or bed and breakfast. Made with a sturdy **brass-plated stainless steel** frame, this support combines the strength of metal with a warm and elegant finish, capable of adapting to any type of decor. Thanks to its **folding structure**, the product is extremely functional and space-saving: this feature allows you to easily set up multiple luggage racks per room based on the number of guests, solving the operational problem of managing luggage in shared spaces. The **black PVC straps** ensure a solid and easy-to-sanitize base, guaranteeing a long professional life over time.
