

## Brass-plated hotel luggage rack with backrest 68x71 h3104

Luggage stool with backrest in brass-plated steel. Folding structure. Dimensions (mm): 680 x 430 x H 715.

The **h3104 hotel luggage rack** is a practical and functional piece of furniture, designed to offer a convenient support surface for your guests' luggage. Made of **brass-plated stainless steel** with durable **black PVC straps**, this model stands out for its classic elegance, making it easily adaptable to any type of hospitality decor. The configuration includes a **rear rail**, which in addition to stabilizing the load, acts as protection for the room walls. Thanks to its **folding structure**, the luggage rack allows for minimal space consumption when not in use, offering the operational flexibility to place more than one per room based on the number of occupants without sacrificing floor space.
