Breakfast room buffet toaster h23_66

Holiday home buffet toaster with anodized aluminum body. Dimensions: 19 x 32 x 23 cm.

The **breakfast room buffet toaster** in **black** is designed to toast all types of bread slices in just a few minutes. Thanks to its innovative construction, air circulates inside the oven, **preventing overheating** and ensuring continuous operation. The toaster with a **production capacity** of up to **240 slices per hour** is ideal for bars, cafes, restaurants, pizzerias, and canteens. Its robust structure consists of the **lid and base** made of **stainless steel** and the **body** in **anodized aluminum**, which ensure long-term durability. The independent **vertical ovens** are equipped with high-quality **heating elements** and a **self-cleaning system**, **easily adjustable** through a **switch** with a **4-minute timer** and **indicator light** for each oven. Additionally, the toaster is equipped with a **stainless steel crumb tray**, which is **removable** and **dishwasher safe** for simple and practical cleaning.
