

Room service trolley h09126

Breakfast trolley for serving breakfast in hotel rooms. Stainless steel and wood structure with walnut finish. Swivel wheels

Features:

Supporting structure in stainless steel tube. Shelf with fold-down leaves, available in walnut-colored laminate-coated wood with rubber edge or in carbon. Service shelf rotatable up to 90°, with the possibility of nesting the trolleys inside each other to minimize overall dimensions. Swivel wheels (2 with brake).

Open dimensions Ø80x80h

Closed dimensions 80x53x80h

The thermal plate warmer box is not included in the price
