

Brioche display case for hotel breakfast rooms h43607

Display case for exhibiting baked pastry products, openable from both sides. Non-heated 50 cm stainless steel shelf.

Display case for exhibiting baked pastry products, brioche, croissants or muffins, designed to enhance both the environment in which it is installed and the product on display.

The product is perfect for use in hotel breakfast rooms, pastry shops and bars.

The structure is made of **stainless steel sheet** with a **thickness of 0.8 mm**, in a polished finish. Sides and doors are made of transparent **plexiglass**.

The display case is **openable from both sides** allowing access to the interior from both the service side and the customer side (for self-service use).

The sturdy hinges to which the doors are attached allow for complete opening. The **non-heated shelf** has a length of **50 cm**.

Technical features:

- Display case openable from both sides
- Material: stainless steel sheet/plexiglass
- Non-heated shelf
- Dimensions: W 50 x H 20 x D 35 cm
