

Butterfly shaped adhesive blackboard h14841

Blackboard butterfly-shaped adhesive felt-tip pen to chalk full of white liquid and five adhesive Velcro. 53x31.1x2 cm Dimensions (HxWxD). Package of 6 pieces

Blackboard butterfly-shaped adhesive felt-tip pen to chalk full of white liquid and five adhesive Velcro. 53x31.1x2 cm Dimensions (HxWxD).

Likeable, and original frizzate this board is the most fun way to leave a message at the office, to promote a dish of the day in a restaurant, or communicate the beginning of a drink in a bar.

Can also be used to stimulate the **creativity** of children in a school or simply to cover imperfections of the walls.

Each package includes a whiteboard, a marker fine tip liquid chalk white and 5 stickers tear. The adhesive strips allow you to mount the board to the wall easily and thanks to their property to tear it allow its easy removal and cleaning.

You can write and draw on your whiteboard as many times as you like, simply just remove the board from the wall, remove the word with a damp cloth and place it back on the wall. Simple, fast **and dirty**. 1 - Write and draw on your whiteboard with a pen in liquid plaster. 2 - Remove the film on one side of the round stickers and place them in different parts of the board. 3 - Now remove the film on the other side. 4 - Finally, place the blackboard on the wall. 5 - Finished! 6 - With special adhesive Velcro can Readily remove the board from the wall. 7 - Clean with a damp cloth, write again and replace the blackboard on the wall.
