Cabinet work table h09_223

Stainless steel cabinet work table, 200x60x85 cm. AISI 304 top, 2 sliding doors and adjustable shelf for maximum hygiene and storage.

The **cabinet work table** is a professional solution designed to optimize workflows in environments requiring high standards of hygiene and organization. Thanks to the structure entirely made of **stainless steel**, the module guarantees an inert and resistant surface, ideal for direct contact with food and for withstanding intensive cleaning cycles. The design integrates a **closed lower compartment** with sliding doors, perfect for protecting equipment and raw materials from dust, keeping the work environment tidy and functional.

Technical features

- **Dimensions:** W.200 x D.60 x H.85 cm
- **Structure material:** stainless steel
- **Worktop:** AISI 304 stainless steel
- **Lower configuration:** cabinet compartment with 2 sliding doors
- **Internal organization:** 1 height-adjustable shelf
- **Base:** 4 adjustable support feet for leveling
