

Canteen table for companies and schools h776_02

4-seater monoblock canteen table with integrated beech seats, black sheet metal structure and melamine top. Dimensions 188x120x88 cm.

Monoblock table designed for space optimization in high-frequency collective environments such as **company canteens, school refectories and university break areas**. The configuration with integrated seats allows for constant order in the rooms, facilitating user passage and simplifying floor sanitization operations. The combination of **sheet metal structure and melamine top** ensures performance resistance to impacts and daily wear.

Technical features

- **Total dimensions:** L.188 x D.120 x h.88 cm
- **Total weight:** 35 kg
