

Canteen table h746_55

Dismountable canteen table in steel and water-repellent laminate 120x80 cm. Robust structure with leveling feet for offices, schools and universities.

The **dismountable canteen table** is a technical solution designed for the furnishing of high-frequency collective spaces, such as school refectories, university canteens and corporate break areas. The structure is engineered to offer maximum stability and resistance to mechanical stress, meeting the needs of contexts that require rigorous hygiene and durability over time. The dismountable configuration facilitates logistics and handling operations, without compromising the solidity of the final assembly.

Technical features

- **Dimensions:** L. 120 x W. 80 x h. 74 cm
- **Frame material:** Steel tube with 15/10 thickness and 70x20 mm rectangular section
- **Worktop:** 19 mm thick water-repellent laminate
- **Structure finish:** Aluminum-colored epoxy powder coating
- **Structural components:** 2 connecting beams for base reinforcement
- **Adjustment:** Leveling feet at the base of the legs
- **Supply status:** Product supplied disassembled
- **Notes:** Chairs not included in the supply
