

X-ray film holder trolley h1361

X-ray film holder trolley with 32 pull-out compartments.

Dimensions: 820 x 640 x h 1,200 mm

The proposed model has 32 pull-out compartments for inserting films. Furthermore, it also features a large pull-out shelf that creates additional useful space for supporting and consulting documents.

On the side of the trolley there are 4 containers that allow for the insertion of other documents. The structure is made of painted steel, the recessed doors with 270° opening in bilaminate, while the base and side containers are made of technopolymer material.

Technical features:

- Structure: painted steel
- Doors: Bilaminate
- Base and containers in technopolymer material
- 4 pivoting wheels, two of which with brake
- Italian production
- can hold 25 folder holders
- Measurements: 820 x 640 x h 1,200 mm.
