

Folding hand truck h12223

Two-wheeled aluminum crate trolley. Load capacity 80 kg

Ideal for transporting crates, groceries and parcels, the **two-wheeled utility trolley** h12223 is made of aluminum, a lightweight but resistant material that makes it manageable and easy to lift but at the same time robust.

It is also equipped with a **telescopic handle**, i.e. extendable, and a **folding toe plate**. Very compact when closed but of maximum utility when open, it is the right choice for those with space problems.

Certifications: GS + TUV

Technical features:

- Material: aluminum
- telescopic handle
- Dimensions when open: W.48xh.98 cm
- Maximum load capacity approx. 80 kg
- Solid wheels
