Multi-purpose trolley with “secure step” rotating support h12236

Large volume crate trolley with rotating support. Maximum load capacity 150 kg.

Large volume hand truck. Stair climber. This trolley represents the best-seller among hand trucks suitable for carrying bulky and heavy items on mixed routes and stairs. Made of an interlocking tube frame that makes it even more robust. The two supports near the handle allow the trolley to be laid down so that the loading platform is positioned parallel to the floor. The wheels are solid and rotate on ball bearings.

Technical features:

- Cantilever frame
- Loading plate
- **6-wheel rotating support of the “secure step” type**
- The support does not touch the step, even with an overhanging tread
- Dimensions: 55 x 52/80 x 140H cm
- **Maximum load capacity: 150 kg**
