

Cast iron urban furniture fountain h338_23

Outdoor cast iron fountain, with push-button tap. Dimensions: W. 46 x D. 51 x h. 124 cm. Color: anthracite grey.

The **outdoor fountain** is an elegant urban furniture accessory, made of **cast iron**, which stands out for its **robustness and durability**. Ideal for embellishing squares, avenues, historic centers and gardens, this fountain not only adds a touch of class and tradition to the surrounding environment, but also provides a practical water point for the public. The base of the fountain is equipped with a **large basin**, perfect for collecting water and avoiding splashes. The shaft, with its characteristic **pyramidal shape**, is mounted on a solid **square base** that ensures its stability. The fountain is equipped with a **push-button tap**, easy to use and designed to reduce water waste. The entire structure has been **entirely made in Italy**, using only materials of the highest quality. This not only guarantees a long life over time, but also reflects the craftsmanship and attention to detail typical of Italian production. The **anthracite grey color** gives the fountain a refined and modern look, which integrates harmoniously with

various architectural styles, from classic to contemporary. Perfect for those who want to combine functionality and aesthetics in a single element, this fountain represents an excellent choice for the urban furniture of public and private spaces.
