Catering placemat h1025_50

Rigid catering placemat 44x31 cm in eco-friendly faux leather. Thickness 4.08 mm, liquid-resistant, wear-resistant and washable.

The **h1025_50 catering placemat** is a rigid solution with a refined design, conceived for table setting in dynamic and welcoming contexts. Characterized by rounded profiles and soft shapes, it measures **44x31 cm** and harmoniously adapts to any mise en place concept. Designed to solve operational problems related to wear and hygiene in the HoReCa sector, it features an internal core in cellulose board and a double layer of **eco-friendly faux leather** with a leather effect. This solid structure eliminates the risk of cracking or deterioration over time, offering an easily sanitizable and liquid-resistant surface. Enriched with refined stitching, it transforms the station into a professional style detail, combining elegance, functionality, safety and sustainability.
