Caterpillar for trips and walks h40217

Fabric caterpillar for trips and school outings. Dimensions 3500x120 mm.

This **fabric caterpillar** is a valuable aid for teachers during trips or outings outside of school.

Thanks to the comfortable **handles**, arranged symmetrically, it helps to maintain order during the walk and quickly check the number of children.

The caterpillar made of fabric, thanks to its soft padding, **can also be used as a path** when laid out.
