

Cereal dispenser 2 x 3 L h1021_08

Double cereal dispenser in wood and stainless steel, 2 containers of 3 L. Dimensions: 38 x 20 x H 60 cm.

The **cereal dispenser 2 x 3 liters**, code **H1021_08**, is a refined and functional solution designed for the **breakfast service of luxury hotels, resorts, and exclusive accommodation facilities**. This elegant model, **produced entirely in Italy**, is designed to guarantee an orderly, hygienic, and visually impeccable self-service, integrating perfectly into high-profile contexts.

The base is made of **solid cherry wood from Tierra del Fuego** (lenga wood), with a **satin finish in non-toxic acrylic varnish**, resistant and pleasant to the touch. The **chrome-plated steel rods** and the **mirror-polished 18/10 stainless steel support** give the product **sturdiness, stability, and a modern aesthetic**, while the **polished stainless steel lids** complete the premium appearance of the dispenser.

The two **transparent tubes of 3 liters each** and the **one-piece TRITAN cones** are **certified for food use**, BPA-free, resistant and easy to clean. The **food-grade rubber fans** and **ergonomic knobs** allow for **controlled dosing**, ideal for cereals, muesli, and dried fruit.

Each container is equipped with an **18/10 stainless steel residue collection tray, removable** for quick cleaning. The dispenser is compatible with bowls up to **9 cm in height**, and is perfect for breakfast buffets in luxury environments where every detail counts.

The product is available in **wengé** color, for warm, elegant, and contemporary environments.

Add a touch of class to your breakfast buffet. Order the **H1021_08 dispenser** now or request a quote for professional supplies dedicated to luxury hospitality.
