

Cereal dispenser 2 x 3.5 Lt h1021_09

Double cereal dispenser 2 x 3.5 L in wood and stainless steel, with anti-scratch system. Dimensions: 33 x 17 x H 69 cm.

The **2 x 3.5 liter cereal dispenser**, code **H1021_09**, is a **Made in Italy** excellence, designed for breakfast service in **luxury hotels, boutique hotels, and high-end hospitality facilities**. Its composite structure, functional design, and care for materials make it a professional furnishing element, as well as an efficient and safe tool for dispensing cereals and muesli.

Made with a **water-repellent birch plywood panel**, coated with **non-toxic satin acrylic paint** and **fireproof and high-resistance textured polyurethane paint**, this dispenser combines resistance to intensive use with attention to aesthetics. The base is equipped with an **anti-scratch system**, which protects the table surface and ensures greater stability during use.

The two containers of **3.5 liters each** are made of **food-grade certified TRITAN**, BPA-free, safe, transparent, and resistant to up to 25% alcohol. The **single-block cones, rubber paddles**, and **ergonomic knobs** allow for **smooth, hygienic, and controlled dispensing**, perfect for any type of cereal or breakfast mix.

The dispenser supports bowls up to **9 cm in height**, ensuring compatibility with the most commonly used formats in buffets. Thanks to the use of **laser-cut PMMA (plexiglass)**, the finishes are precise and modern, for an aesthetic consistent with the most refined environments.

Add a touch of style and functionality to your breakfast buffet. Purchase the **H1021_09 dispenser** today or request a personalized quote for professional supplies.
