

Changing table unit with 10 drawers for nursery school h402_126

Nursery school changing unit with 10 pull-out drawers, safety ladder with padlock and waterproof HDPE base. Includes Oeko-Tex certified mattress.

The **h402_126 changing table unit** is a professional solution designed specifically for furnishing nurseries and early childhood spaces, where hygiene and safety are absolute priorities. The structure integrates **10 practical and fully pull-out drawers**, offering a large storage volume for diapers, linens, and baby care items. A distinctive technical feature is the **base made of waterproof HDPE**, a material that prevents the boards from swelling caused by humidity, ensuring long-term durability. The system includes an integrated ladder with anti-slip steps and a tubular steel railing, protected by a door with a padlock to prevent unsupervised access by children. The easy-maintenance surface ensures constant hygienic cleaning, while the **milled handles** eliminate dangerous protrusions and improper footholds (kick-off).

Technical features

- **Changing table dimensions:** W 121.5 x D 90 x H 109 cm
