

Charging cart for Tablets and Notebooks h491_02

36-station charging cart suitable for Tablets and Notebooks designed for school furniture. Top opening. Key lock closure.

Tablet and Notebook charging cart **with 36 convenient slots** ideal for universities, primary schools, high schools and training courses. Robust metallic structure in stamped sheet metal **with wooden top** with top opening that allows to check all devices together at a glance before closing.

Tablet and Notebook holder cart **with natural ventilation** capable of circulating air around the devices and power supplies, without the aid of noisy fans, avoiding dust and unnecessary energy absorption.

The charging cart for school furniture is equipped with 36 outlets in the separate lower compartment with a keyed door and wheels to facilitate movement.
