

Chef Jacket in cotton h6511

Jacket in 100% cotton satin non-iron, easy to iron, and stain resistant

Manufacturer: Isaac

Jacket in 100% cotton

Features:

- 100% Cotton
- 190 g / m
- Side vents
- Network airing axillary
- Bellows rear to facilitate the movement

This jacket is a classic chef's kitchen and is renowned for its high quality of fabrics used for modeling and very comfortable today.

The fabrics, all sanforized, do not shrink even at high washing temperatures, are bleached.

The modeling is done in such a way as to allow the widest range of motion in an environment like the kitchen where the work never fails.
