

Children's bench for urban furniture h140_310

Outdoor bench for urban furniture with a modern, playful and fun design, ideal for schools and playgrounds. Italian production.

Bench for urban furniture, an excellent solution for setting up play areas in outdoor environments. Structure consisting of 2 **supports depicting a stylized little elephant**, made of galvanized steel sheet. Each individual support is equipped with plates at the base with holes for fixing to the ground. Seat made of **galvanized sheet metal with carved patterns**, harmonized with the supports. The bench is supplied in an **assembly kit** with stainless steel screws and assembly instructions. The base finish for this product consists of two colors, specifically: traffic blue RAL 5017 for the supports and sky blue RAL 5015 for the seat. The use of the color blue was deliberately chosen as it is one of the colors often used in environments dedicated to children and, according to communicative canons, transmits **calm, tranquility and trust**.

FIXING

- The supports are equipped with holes at the base for fixing to the ground via anchor bolts and expansion plugs.
- The bench is supplied in an assembly kit, steel screws and assembly instructions included.

DIMENSIONS

- Total height cm. 42
- Depth at the base cm. 52
