

Children's bench h287_291

Children's bench with oval steel tube slats. Available in various colors.

Children's bench for urban furniture, colorful and lively. The bench structure is **composed of 2 supports** in round steel tube Ø mm. 25 x 1.5. **Seat and backrest** made with **oval steel tube** slats, section mm. 40 x 20 x 1.5. The **steel** parts first undergo a **pre-treatment** degreasing process for impurities through steam solutions, then dried and subjected to **painting operations using electrostatic guns** that cover the pieces with powder paint in a floury state. Subsequently, the product is subjected to **polymerization in an oven**, a process that allows the powder to solidify by baking at a **temperature of 180/200° C** in a hot air circulation oven. The pieces coming out of the oven **are cooled naturally**. The powders used in the painting process are non-toxic according to current regulations. Hardware and bolts: galvanized according to UNI 3740 standard. Small bench ideal for use in **environments frequented by children**.

Technical features:

- Material: steel
- Non-toxic powder coating.
- Length 150 cm
- Seat height 30 cm.
- Anchoring: flush with the ground.
- Delivered already assembled
- BENCH BUILT ACCORDING TO SAFETY REQUIREMENTS AND TEST METHODS UNI 11306:2010
