

Children's bench with comic book graphics h140_522

Children's bench with "Super!" comic book graphics, made of galvanized steel painted in traffic red RAL 3020. Dimensions: W. 90 x D. 30 x H. 30 cm.

The **children's bench h140_522** brings a touch of joy and imagination to every park thanks to its design inspired by comic book speech bubbles. Its compact dimensions of **W. 90 x D. 30 x H. 30 cm** make it perfect for the little ones, with a capacity of **2 seats** and a weight of **29 kg** which guarantees stability. Made of **galvanized steel** with shaped 2 mm thick sheet metal, it is thermosetting powder-coated with oven baking, ensuring a high-quality finish, resistant to atmospheric agents and bright colors over time.

The graphic motif, a **"Super!" adhesive lettering on one side**, stimulates children's imagination and enthusiasm, making this bench a unique and cheerful element of urban furniture. The structure is designed with a **base frame for ground fixing** with anchor bolts and expansion plugs (not included), thus allowing a safe and stable installation. The product is **supplied already assembled**, complete with steel hardware and fixing instructions.

Buy now this functional and colorful bench to make your public spaces more lively and welcoming for children!
