

Children's picnic table with benches h463_04

Oval children's picnic table in metal and colored HPL. Dimensions 150x119x56 cm, 6 integrated seats and ground fixing for play areas and schools.

The **H463_04 picnic table** represents a professional furniture solution designed specifically for setting up play areas, school gardens and public spaces. Its main function is to provide a safe and durable station for collective outdoor activities, such as lunch, drawing or outdoor teaching. Thanks to the **monobloc structure with integrated seats**, the product solves the problem of stability and order in high-traffic spaces, ensuring a safe environment for preschool and school-age children.
