

Luggage and garment trolley in chromed steel h5526

Luggage and garment trolley in chromed steel with red carpet and blue rubber wheels. Load capacity 300 kg and non-marking edge. Dim. 103x60x170 cm.

The **luggage and garment trolley** with chromed finish represents a distinctive element for the reception service, combining a refined aesthetic with high-level mechanical performance. Designed for hotels and accommodation facilities aiming for a classic and elegant image, it solves the problem of handling bulky loads thanks to a **maximum capacity of 300 kg**. The steel structure guarantees the necessary rigidity for the simultaneous transport of heavy suitcases and hanging garments, while the contrast between the **chromed finish** and the red carpet gives an immediate touch of prestige to the lobby.
