

## Chrome-plated steel luggage rack h76\_116

Folding luggage rack in chrome-plated steel Ø 25 mm, with reinforced straps. Dimensions: W 68 x D 48 x H 68 cm.

The **chrome-plated steel luggage rack h76\_116** is an elegant, functional and resistant solution, specifically designed for hospitality facilities that wish to optimize room comfort and enhance the guest experience. Made with a robust **25 mm diameter chrome-plated steel structure**, this support combines a bright finish with superior stability, suitable for intensive daily use in hotels, residences or B&Bs. The **black canvas straps with reinforcements** guarantee a secure support even for heavy suitcases, while the **foldable** nature of the structure allows the accessory to be stored in seconds, optimizing the available space. The modern and professional design, completed by **scratch-resistant rubber feet**, makes it a versatile furnishing accessory, capable of adapting to any style, from classic to contemporary, solving the operational problem of luggage management with a touch of class.
