

Circular picnic table with benches h140_362

Circular picnic table complete with 3 benches. Material: wood and galvanized sheet metal. Dimensions: L290 x W290 x H75 cm.

Circular-shaped picnic table, supplied complete with 3 benches. Thanks to its unique design, it is perfect for setting up picnic areas, public gardens, equipped rest areas, and relaxation areas. The structure features **galvanized sheet metal supports**, with the tabletop and bench seats made of **Okumè wood** planks. The product is also subjected to **special painting and galvanizing procedures**, which make it resistant to atmospheric agents and ensure long life. The supports are equipped with holes to facilitate and speed up **ground anchoring**.

Technical characteristics:

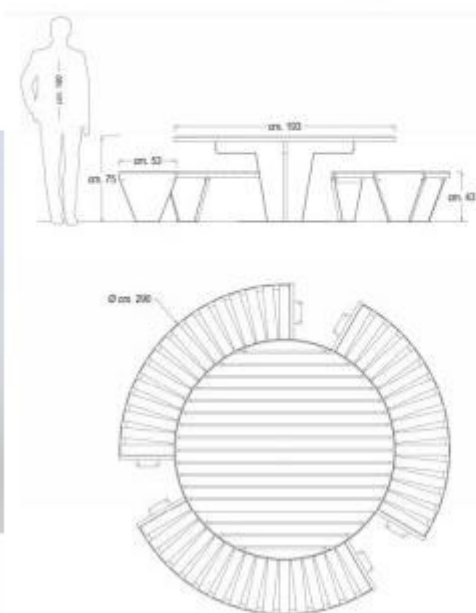

- Seat height: 43 cm
- Tabletop height: 75 cm
- Tabletop diameter: 193 cm
- Seat depth: 53 cm
- Total diameter: 290 cm
- Material: Okumè wood and galvanized sheet metal
- Fixing: to be bolted down
- Assembly kit, hardware, and instructions included
