

## Circular preschool desk with colored legs h735\_12

Circular table for preschool, 80 cm waterproof conglomerate top, colored polypropylene legs. Durable, certified and safe. The **preschool desk** is designed to set up dynamic and safe educational environments. Thanks to its circular shape, it promotes interaction among children and socialization during group activities. The structure is engineered to withstand the typical stresses of a school environment, solving issues related to premature wear and the safety of furniture for the little ones.
