

Professional cleaning trolley with chrome-plated base h17906

Simple and essential cleaning trolley built in 20 mm diameter chrome-plated tubular. 2 buckets 15 + 15 lt. Complete with bumpers.

Trolley with **chrome-plated metal** base and 4 wheels equipped with bumpers to avoid damaging furniture and delicate surfaces that may inadvertently come into contact with the product.

Chrome-plated metal is a material highly resistant to corrosion, characterized by a shiny finish. It is waterproof and is therefore widely used in industrial production and as a main material in all those products that require resistance and aesthetics.

The compact dimensions and **maneuverability** make it particularly suitable for small-medium environments.

The trolley consists of:

- 1 Chrome-plated metal base with 4 wheels Ø 100 mm with bumpers
- 1 Bag holder frame 15 lt
- 1 Bag support 120 lt
- 2 Buckets 15 lt
- 1 Wringer
- 1 Side bag support 120 liters
- 1 Chrome-plated basket for storing objects and/or detergents
- 1 Directional handle holder

Technical features:

- 810x675x1190 h mm
- weight 17.8 kg

Optional:

- 120 lt Bag
- 120 lt Lid

Frame lid and bag can be purchased on request.
