

Professional cleaning trolley with 2 buckets 6+15 lt h17904

Practical and easy-to-handle design cleaning trolley. Also suitable for outdoor use. Equipped with fiberglass wheels.

Trolley with **wheels** equipped with **ball bearings** with thread guards and soft polyurethane coating. The bearings with thread guards ensure greater smoothness compared to classic ball bearings, while the polyurethane coating is also suitable for the most delicate surfaces.

This ensures that the trolley is particularly smooth and quiet, but also suitable for use in **outdoor environments**.

Each attachment point is protected by trims that allow its design to be highlighted. The bag holder has a **standard ergonomic handle** with the possibility of mounting the security bag holder kit as an optional, equipped with a security key for personal items or documentation.

Equipment:

- polypropylene central base with 4 polypropylene wheels diameter 125 mm, 2 of which with brake and 4 reinforcement plugs
- aluminum upright h718 mm with bag support locking device
- fiberglass wringer support
- 2 x 15 lt buckets
- wringer
- tray mm 470x145x100 h
