

Cleaning trolley with bucket and wringer h676_04

Professional closed cleaning trolley with 3 compartments, in stainless polypropylene. Dimensions: L.142 x D.65 x H.110 cm.

The professional cleaning trolley with 3 compartments represents the ideal solution for cleaning in large environments, such as shopping malls, airports, schools and universities. **The product features a sturdy polypropylene structure, naturally rustproof. The closed trolley with 3 compartments allows collecting up to 150L** and thanks to the 2 buckets with wringer, it guarantees efficient and rapid cleaning. The product also complies with the **GPP General Cleaning and Cleaning and sanitization in healthcare facilities** (MD 29/01/2021): suitable for the removal of wet, greasy or encrusted dirt in environments where rinsing is required, it allows separating the detergent solution from the rinsing water and is equipped with color-coded buckets made of 50% recycled plastic. The components are made of PSV (Second Life Plastic) certified plastic.

The product is equipped with:

- Rectangular bucket with handle, 4l, green
- Rectangular bucket with handle, 4l, blue
- Rectangular bucket with handle, 4l, yellow
- Rectangular bucket with handle, 4l, red
- Jaw wringer, green
- Bucket with handle, 15 L, blue
